QUESTIONS AND ANSWERS FOR PROSPECTIVE SECTION 8 LANDLORDS

Q. How do I become a Section 8 Landlord?

A. Advertise your unit as accepting Section 8. Also, you may have your name and phone number listed on our Landlord Listing. This listing is given to Section 8 tenants when they are looking for a unit. We do not advise putting your name on this list if you have a small number of units because you may be overwhelmed with calls when a briefing (This is when we issued more vouchers) is conducted.

Q. How will I know that the prospective tenant has a Section 8 Housing Choice Voucher?

A. If a person viewing your unit is a Section 8 recipient, they will have a paper entitled "*Request for Tenancy Approval*" (sample in packet). If they desire to live in your unit and you select them for your unit, they will have you complete and return this form to them. They are responsible for returning the form to the Topeka Housing Authority.

Q. Do I have the right to screen prospective Section 8 tenants?

A. Yes, we strongly encourage landlords to screen tenants. We only certify that the tenant is income eligible for Section 8. You may use whatever screening methods you use for any other tenants; however, if you have a screening service who charges you, you may not charge the prospective tenant any more than what it costs you for the service.

Q. How are my rights as a landlord affected if I become a Section 8 landlord?

A. You have the same rights and responsibilities under Section 8 as you have as a landlord under Kansas state law.

Q. May I collect a security deposit? Who pays the security deposit?

A. You may collect a security deposit according to the limits set by Kansas State law. The tenant is responsible for paying the security deposit.

Q. Is the unit inspected?

A. The unit is scheduled for an inspection after we receive the "*Request for Tenancy Approval*" form. The inspection standard used in Housing Quality Standards (HQS).

This is, basically, a safe, sanitary, decent place to live. A booklet entitled “A Good Place to Live” is included in the packet. This booklet explains what is checked at an HQS inspection. Also, included in the packet is a sample of an annual inspection form.

Q. Can I have the unit pre-inspected?

A. No, we do not do pre-inspections.

Q. How often is the unit inspected?

A. The unit must be inspected at least once a year. Other inspections may take place if the tenant complains that the landlord is not keeping something in repair.

Q. Is a lease required?

A. Yes, a lease is required. An initial one-year lease term is required. The landlord is responsible for providing the lease. A copy of the lease must be sent to THA. Another requirement is that the Lease Addendum (sample in packet) be attached to the lease. The lease is between you and the tenant. THA is not a party to the lease.

Q. What other documents are required?

A. The landlord is required to sign a Housing Assistance Payment (HAP) contract (sample in packet) with THA prior to any payments being made. The tenant is not a party to this agreement. THA will prepare this agreement and forward it to the landlord for signature.

Q. When do I get paid?

A. Once the landlord returns the HAP contract with a copy of the lease, and the disclosure of lead-based paint, THA will upload the HAP payment on the landlord portal. Following the initial payment, the HAP payments are uploaded on the 1st day of the month depending on how weekends and holidays fall.

Q. Who pays what?

A. THA makes a determination of the amount the tenant pays based on the tenant's income and the payment standard. This determination is made at least annually. This payment split is set out in the HAP contract. The landlord will receive payment from THA for the HAP portion. The landlord will collect the tenant share directly from the tenant.

Q. How much rent may I request for my unit?

A. The rental rate is determined by Rent Reasonableness. The landlord may initially request whatever they feel is reasonable for the unit being offered for rent. A

determination will be made if that amount is reasonable by comparing the offered unit to other similar units. The payment standards for the different bedroom sizes are included in this packet of information.

Q. When can the tenant move in?

A. The tenant may move in after the unit passes inspection; however, if the tenant is a current Section 8 tenant that is changing units, they are only allowed to move at the first of the month.

Q. What are utility allowances?

A. Utility allowances are determined from charts (samples in the packet) according to what the tenant is obligated to pay. The contract rent plus the utility allowance equals gross rent.

If you have additional questions after reviewing this packet of information, please call THA at (785)357-8842.

General Lease-Up Process for Landlords, Public Housing Authorities (PHAs) and Tenants

Endnotes

- ¹ Request for Tenancy Approval (RTA): Before approving the assisted tenancy and executing the Housing Assistance Payments (HAP) contract, the PHA must ensure that the following program requirements have been met:
- The unit is eligible;
 - The unit has been inspected by the PHA and meets [Housing Quality Standards \(HQS\)](#);
 - The lease includes the tenancy addendum;
 - The rent charged by owner is reasonable; and
 - For families receiving HCV program assistance for the first time, and where the gross rent of the unit exceeds the applicable payment standard for the family, the PHA must ensure that the family share does not exceed 40 percent of adjusted monthly income. This cap is referred to as the maximum family share ([24 CFR 982.508](#)).
- In addition, the PHA must not approve:
- If the PHA has been informed (by HUD or otherwise) that the owner is debarred, suspended, or subject to a limited denial of participation under [2 CFR part 2424](#).
 - If the owner is the parent, child, grandparent, grandchild, sister, or brother of any member of the family, unless the PHA determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities. This restriction against PHA approval of a unit only applies at the time a family initially receives tenant-based assistance for occupancy of a particular unit, but does not apply to PHA approval of a new tenancy with continued tenant-based assistance in the same unit.
 - Other reasons as defined in [24 CFR 982.306](#).
- ² Rent Reasonableness: HUD regulation [24 CFR 982.507](#) requires that PHAs perform a rent reasonableness determination before executing a HAP contract and before any increase in rent. The PHA must determine that the proposed rent is reasonable compared to similar units in the marketplace and not higher than those paid by unassisted tenants on the premises.
- ³ Inspections: PHA must inspect the unit leased to a family prior to the initial of the lease, at least biennially during assisted occupancy (triennially for rural PHAs), and at other times as needed, to determine if the unit meets the HQS.
- Some, but not all, PHAs have additional flexibility to approve tenancy and begin paying HAP on a unit that fails to meet the HQS, provided the deficiencies are not life-threatening and/or to approve assisted tenancy of a unit before the PHA conducts the initial HQS inspection if the property has, in the previous 24 months, passed a qualifying alternative inspection. For more information on these provisions see [PIH Notice 2017-20](#).
- ⁴ Housing Assistance Payment (HAP): is the monthly assistance payment by a PHA, which is defined in [24 CFR 982.4](#) to include: (1) A payment to the owner for rent to the owner under the family's lease; and (2) An additional payment to the family if the total assistance payment exceeds the rent to owner.

The HAP contract is the housing assistance payments contract between the owner and the PHA.

Important Inspection Guidelines for Electrical Outlets

The Topeka Housing Authority is clarifying for owners the criteria for evaluating the proper operating condition of electrical outlets under HUD's Housing Quality Standards (HQS).

Basic Types of Electrical Outlets

There are two basic types of outlets: two-pronged and three-pronged outlets. Three-pronged outlets may also include Ground Fault Circuit Interrupter (GFCI) protection.

Proper Operating Conditions for Outlets under HQS

Two-Pronged Outlets

A two-pronged outlet is ungrounded and has a two-wire electrical system that includes only a hot and a neutral wire.

Original two-pronged ungrounded outlets are acceptable under HQS as long as they are in proper operating condition. For two-pronged outlets, the Housing Authority inspector will verify that the outlet is in proper operating condition by ensuring a plugged in appliance or agency-provided outlet tester works.

Three-Pronged Outlets

A three-pronged outlet typically has a three wire electrical system that includes a hot, neutral and a ground wire.

Three-pronged outlets, including upgraded outlets (those changed from two-pronged to three-pronged outlets), are acceptable under HQS as long as the outlet is grounded. For three-pronged outlets, the Housing Authority inspector will verify that the outlet is grounded by using an outlet tester.

Three-Pronged Outlets with GFCI (Ground Fault Circuit Interrupter)

An outlet with GFCI senses a difference in current flow between the hot and neutral terminals and in unsafe conditions, shuts off the flow of current to the outlet.

Installing a three-pronged outlet with GFCI is a cost-effective method to upgrade from two-pronged to three-pronged outlets without requiring the expensive installation of a new ground wire.

Three-pronged outlets with GFCI are acceptable under HQS as long as the outlet is grounded **or** has working GFCI protection. For three-pronged outlets with GFCI, the Housing Authority inspector will verify that the outlet is grounded by using an outlet tester. If the outlet is not grounded, the Inspector will trip the GFCI outlet by pressing the test button. If the power shuts off, the outlet is operating safely.

In addition to determining electrical outlets are operating properly, the outlets must be free from electrical hazards (i.e., no missing or loose cover plates, no exposed wires, etc.)

If you have any questions regarding the information in this flyer, please call (785) 357-8842.

Housing Choice Voucher Program

OMB Approval No. 2577-0169
exp. 4/30/2026

OMB Burden Statement. The public reporting burden for this information collection is estimated to be up to 0.5 hours, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This collection of information is required to establish the terms between a private market owner and a PHA for participating in the program, including whether the tenant or owner pays for utilities and services. Assurances of confidentiality are not provided under this collection. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions to reduce this burden, to the Office of Public and Indian Housing, US. Department of Housing and Urban Development, Washington, DC 20410. HUD may not conduct and sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid control number.

Privacy Notice. The Department of Housing and Urban Development (HUD) is authorized to collect the information on this form by 24 CFR § 982.451. The information is used to provide Section 8 tenant-based assistance under the Housing Choice Voucher program in the form of housing assistance payments. The Personally Identifiable Information (PII) data collected on this form are not stored or retrieved within a system of record.

Instructions for use of HAP Contract

This form of Housing Assistance Payments Contract (HAP contract) is used to provide Section 8 tenant-based assistance under the housing choice voucher program (voucher program) of the U.S. Department of Housing and Urban Development (HUD). The main regulation for this program is 24 Code of Federal Regulations Part 982.

The local voucher program is administered by a public housing agency (PHA). The HAP contract is an agreement between the PHA and the owner of a unit occupied by an assisted family. The HAP contract has three parts:

Part A Contract information (fill-ins).

See section by section instructions.

Part B Body of contract

Part C Tenancy addendum

Use of this form

Use of this HAP contract is required by HUD. Modification of the HAP contract is not permitted. The HAP contract must be word-for-word in the form prescribed by HUD.

However, the PHA may choose to add the following:

Language that prohibits the owner from collecting a security deposit in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants. Such a prohibition must be added to Part A of the HAP contract.

Language that defines when the housing assistance payment by the PHA is deemed received by the owner (e.g., upon mailing by the PHA or actual receipt by the owner). Such language must be added to Part A of the HAP contract.

To prepare the HAP contract, fill in all contract information in Part A of the contract. Part A must then be executed by the owner and the PHA.

Use for special housing types

In addition to use for the basic Section 8 voucher program, this form must also be used for the following “special housing types” which are voucher program variants for special needs (see 24 CFR Part 982, Subpart M): (1) single room occupancy (SRO) housing; (2) congregate housing; (3) group home; (4) shared housing; and (5) manufactured home rental by a family that leases the manufactured home and space. When this form is used for a special housing type, the special housing type shall be specified in Part A of the HAP contract, as follows: “This HAP contract is used for the following special housing type under HUD regulations for the Section 8 voucher program: (Insert Name of Special Housing type).”

However, this form may not be used for the following special housing types: (1) manufactured home space rental by a family that owns the manufactured home and leases only the space; (2)

cooperative housing; and (3) the homeownership option under Section 8(y) of the United States Housing Act of 1937 (42 U.S.C. 1437f(y)).

- c. During the HAP contract term, the PHA will pay housing assistance payments to the owner in accordance with the HAP contract.

2. Lease of Contract Unit

- b. The PHA has approved leasing of the unit in accordance with requirements of the Section 8 voucher program.

3. Maintenance, Utilities, and Other Services

- a. The owner must maintain the contract unit and premises in accordance with the housing quality standards (HQS).
- b. The owner must provide all utilities needed to comply with the HQS.

- c. If the owner does not maintain the contract unit in accordance with the HQS, or fails to provide all utilities needed to comply with the HQS, the PHA may exercise any available remedies. PHA remedies for such breach include recovery of overpayments, suspension of housing assistance payments, abatement or other reduction of housing assistance payments, termination of housing assistance payments, and termination of the HAP contract. The PHA may not exercise such remedies against the owner because of an HQS breach for which the family is responsible, and that is not caused by the owner.
- d. The PHA shall not make any housing assistance payments if the contract unit does not meet the HQS, unless the owner corrects the defect within the period specified by the PHA and the PHA verifies the correction. If a defect is life threatening, the owner must correct the defect within no more than 24 hours. For other defects, the owner must correct the defect within the period specified by the PHA.
- e. The PHA may inspect the contract unit and premises at such times as the PHA determines necessary, to ensure that the unit is in accordance with the HQS.
- f. The PHA must notify the owner of any HQS defects shown by the inspection.
- g. The owner must provide all housing services as agreed to in the lease.

4. Term of HAP Contract

- a. Relation to lease term. The term of the HAP contract begins on the first day of the initial term of the lease, and terminates on the last day of the term of the lease (including the initial lease term and any extensions).
- b. When HAP contract terminates.
 - (1) The HAP contract terminates automatically if the lease is terminated by the owner or the tenant.
 - (2) The PHA may terminate program assistance for the family for any grounds authorized in accordance with HUD requirements. If the PHA terminates program assistance for the family, the HAP contract terminates automatically.

 - (4) The HAP contract terminates automatically 180 calendar days after the last housing assistance payment to the owner.
 - (5) The PHA may terminate the HAP contract if the PHA determines, in accordance with HUD requirements, that available program funding is not sufficient to support continued assistance for families in the program.

- (6) The HAP contract terminates automatically upon the death of a single member household, including single member households with a live-in aide.
- (7) The PHA may terminate the HAP contract if the PHA determines that the contract unit does not provide adequate space in accordance with the HQS because of an increase in family size or a change in family composition.
- (8) If the family breaks up, the PHA may terminate the HAP contract, or may continue housing assistance payments on behalf of family members who remain in the contract unit.
- (9) The PHA may terminate the HAP contract if the PHA determines that the unit does not meet all requirements of the HQS, or determines that the owner has otherwise breached the HAP contract.

5. Provision and Payment for Utilities and Appliances

- a. The lease must specify what utilities are to be provided or paid by the owner or the tenant.
- b. The lease must specify what appliances are to be provided or paid by the owner or the tenant.

6. Rent to Owner: Reasonable Rent

- a. During the HAP contract term, the rent to owner may at no time exceed the reasonable rent for the contract unit as most recently determined or redetermined by the PHA in accordance with HUD requirements.
- b. The PHA must determine whether the rent to owner is reasonable in comparison to rent for other comparable unassisted units. To make this determination, the PHA must consider:
 - (1) The location, quality, size, unit type, and age of the contract unit; and
 - (2) Any amenities, housing services, maintenance and utilities provided and paid by the owner.
- c. The PHA must redetermine the reasonable rent when required in accordance with HUD requirements. The PHA may redetermine the reasonable rent at any time.
- d. During the HAP contract term, the rent to owner may not exceed rent charged by the owner for comparable unassisted units in the premises. The owner must give the PHA any information requested by the PHA on rents charged by the owner for other units in the premises or elsewhere.

7. PHA Payment to Owner

- a. When paid
 - (1) During the term of the HAP contract, the PHA must make monthly housing assistance

payments to the owner on behalf of the family at the beginning of each month.

- (2) The PHA must pay housing assistance payments promptly when due to the owner.
- (3) If housing assistance payments are not paid promptly when due after the first two calendar months of the HAP contract term, the PHA shall pay the owner penalties if all of the following circumstances apply: (i) Such penalties are in accordance with generally accepted practices and law, as applicable in the local housing market, governing penalties for late payment of rent by a tenant; (ii) It is the owner's practice to charge such penalties for assisted and unassisted tenants; and (iii) The owner also charges such penalties against the tenant for late payment of family rent to owner. However, the PHA shall not be obligated to pay any late payment penalty if HUD determines that late payment by the PHA is due to factors beyond the PHA's control. Moreover, the PHA shall not be obligated to pay any late payment penalty if housing assistance payments by the PHA are delayed or denied as a remedy for owner breach of the HAP contract (including any of the following PHA remedies: recovery of overpayments, suspension of housing assistance payments, abatement or reduction of housing assistance payments, termination of housing assistance payments and termination of the contract).
- (4) Housing assistance payments shall only be paid to the owner while the family is residing in the contract unit during the term of the HAP contract. The PHA shall not pay a housing assistance payment to the owner for any month after the month when the family moves out.
- b. **Owner compliance with HAP contract** Unless the owner has complied with all provisions of the HAP contract, the owner does not have a right to receive housing assistance payments under the HAP contract.

 - (1) The amount of the monthly PHA housing assistance payment to the owner shall be determined by the PHA in accordance with HUD requirements for a tenancy under the voucher program.
 - (2) The amount of the PHA housing assistance payment is subject to change during the HAP contract term in accordance with HUD requirements. The PHA must notify the family and the owner of any changes in the amount of the housing assistance payment.
 - (3) The housing assistance payment for the first month of the HAP contract term shall be pro-rated for a partial month.
- d. **Application of payment** The monthly housing assistance payment shall be credited against the monthly rent to owner for the contract unit.

e. **Limit of PHA responsibility**

- (1) The PHA is only responsible for making housing assistance payments to the owner in accordance with the HAP contract and HUD requirements for a tenancy under the voucher program.
- (2) The PHA shall not pay any portion of the rent to owner in excess of the housing assistance payment. The PHA shall not pay any other claim by the owner against the family.

- f. **Overpayment to owner** If the PHA determines that the owner is not entitled to the housing assistance payment or any part of it, the PHA, in addition to other remedies, may deduct the amount of the overpayment from any amounts due the owner (including amounts due under any other Section 8 assistance contract).

8. Owner Certification

During the term of this contract, the owner certifies that:

- a. The owner is maintaining the contract unit and premises in accordance with the HQS.

9. Prohibition of Discrimination. In accordance with applicable nondiscrimination and equal opportunity laws, statutes, Executive Orders, and regulations.

- a. The owner must not discriminate against any person because of race, color, religion, sex (including sexual orientation and gender identity), national origin, age, familial status, or disability in connection with the HAP contract. Eligibility for HUD's programs must be made without regard to actual or perceived sexual orientation, gender identity, or marital status.

- b. The owner must cooperate with the PHA and HUD in conducting equal opportunity compliance reviews and complaint investigations in connection with the HAP contract.

The notice by the PHA to the owner may require the owner to take corrective action, as verified or determined by the PHA, by a deadline prescribed in the notice.
- c. The PHA's rights and remedies for owner breach of the HAP contract include recovery of overpayments, suspension of housing assistance payments, abatement or other reduction of housing assistance payments, termination of housing assistance payments, and termination of the HAP contract.
- d. The PHA may seek and obtain additional relief by judicial order or action, including specific performance, other injunctive relief or order for damages.
- e. Even if the family continues to live in the contract unit, the PHA may exercise any rights and remedies for owner breach of the HAP contract.
- f. The PHA's exercise or non-exercise of any right or remedy for owner breach of the HAP contract is not a

waiver of the right to exercise that or any other right or remedy at any time.

11. PHA and HUD Access to Premises and Owner's Records

- a. The owner must provide any information pertinent to the HAP contract that the PHA or HUD may reasonably require.
- b. The PHA, HUD and the Comptroller General of the United States shall have full and free access to the contract unit and the premises, and to all accounts and other records of the owner that are relevant to the HAP contract, including the right to examine or audit the records and to make copies.

- c. The PHA does not assume any responsibility for injury to, or any liability to, any person injured as a result of the owner's action or failure to act in connection with management of the contract unit or the premises or with implementation of the HAP contract, or as a result of any other action or failure to act by the owner.
- d. The owner is not the agent of the PHA, and the HAP contract does not create or affect any relationship between the PHA and any lender to the owner or any suppliers, employees, contractors or subcontractors used by the owner in connection with management of the contract unit or the premises or with implementation of the HAP contract.

13. Conflict of Interest

- a. "Covered individual" means a person or entity who is a member of any of the following classes:

 - (2) A court or administrative agency has determined that the owner or proposed new owner violated the Fair Housing Act or other Federal equal opportunity requirements.
- e. The HAP contract may not be assigned to a new owner if the new owner (including a principal or other interested party) is the parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the PHA has determined (and has notified the family of such determination) that approving the assignment, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities.

**Housing Assistance Payments Contract
(HAP Contract)
Section 8 Tenant-Based Assistance
Housing Choice Voucher Program**

**U.S. Department of Housing
and Urban Development**
Office of Public and Indian Housing

Part C of HAP Contract: Tenancy Addendum

1. Section 8 Voucher Program

- a. The owner is leasing the contract unit to the tenant for occupancy by the tenant's family with assistance for a tenancy under the Section 8 housing choice voucher program (voucher program) of the United States Department of Housing and Urban Development (HUD).
- b. The owner has entered into a Housing Assistance Payments Contract (HAP contract) with the PHA under the voucher program. Under the HAP contract, the PHA will make housing assistance payments to the owner to assist the tenant in leasing the unit from the owner.

2. Lease

- a. The owner has given the PHA a copy of the lease, including any revisions agreed by the owner and the tenant. The owner certifies that the terms of the lease are in accordance with all provisions of the HAP contract and that the lease includes the tenancy addendum.
- b. The tenant shall have the right to enforce the tenancy addendum against the owner. If there is any conflict between the tenancy addendum and any other provisions of the lease, the language of the tenancy addendum shall control.

3. Use of Contract Unit

- a. During the lease term, the family will reside in the contract unit with assistance under the voucher program.
- b. The composition of the household must be approved by the PHA. The family must promptly inform the PHA of the birth, adoption or court-awarded custody of a child. Other persons may not be added to the household without prior written approval of the owner and the PHA.
- c. The contract unit may only be used for residence by the PHA-approved household members. The unit must be the family's only residence. Members of the household may engage in legal profit making activities incidental to primary use of the unit for residence by members of the family.
- d. The tenant may not sublease or let the unit.
- e. The tenant may not assign the lease or transfer the unit.

4. Rent to Owner

- a. The initial rent to owner may not exceed the amount approved by the PHA in accordance with HUD requirements.
- b. Changes in the rent to owner shall be determined by the provisions of the lease. However, the owner may not raise the rent during the initial term of the lease.
- c. During the term of the lease (including the initial term of the lease and any extension term), the rent to owner may at no time exceed:

- (1) The reasonable rent for the unit as most recently determined or redetermined by the PHA in accordance with HUD requirements, or
- (2) Rent charged by the owner for comparable unassisted units in the premises.

5. Family Payment to Owner

- a. The family is responsible for paying the owner any portion of the rent to owner that is not covered by the PHA housing assistance payment.
- b. Each month, the PHA will make a housing assistance payment to the owner on behalf of the family in accordance with the HAP contract. The amount of the monthly housing assistance payment will be determined by the PHA in accordance with HUD requirements for a tenancy under the Section 8 voucher program.
- c. The monthly housing assistance payment shall be credited against the monthly rent to owner for the contract unit.
- d. The tenant is not responsible for paying the portion of rent to owner covered by the PHA housing assistance payment under the HAP contract between the owner and the PHA. A PHA failure to pay the housing assistance payment to the owner is not a violation of the lease. The owner may not terminate the tenancy for nonpayment of the PHA housing assistance payment.
- e. The owner may not charge or accept, from the family or from any other source, any payment for rent of the unit in addition to the rent to owner. Rent to owner includes all housing services, maintenance, utilities and appliances to be provided and paid by the owner in accordance with the lease.
- f. The owner must immediately return any excess rent payment to the tenant.

6. Other Fees and Charges

- a. Rent to owner does not include cost of any meals or supportive services or furniture which may be provided by the owner.
- b. The owner may not require the tenant or family members to pay charges for any meals or supportive services or furniture which may be provided by the owner. Nonpayment of any such charges is not grounds for termination of tenancy.
- c. The owner may not charge the tenant extra amounts for items customarily included in rent to owner in the locality, or provided at no additional cost to unsubsidized tenants in the premises.

7. Maintenance, Utilities, and Other Services

- a. **Maintenance**
 - (1) The owner must maintain the unit and premises in accordance with the HQS.
 - (2) Maintenance and replacement (including redecoration) must be in accordance with the

standard practice for the building concerned as established by the owner.

b. **Utilities and appliances**

- (1) The owner must provide all utilities needed to comply with the HQS.
- (2) The owner is not responsible for a breach of the HQS caused by the tenant's failure to:
 - (a) Pay for any utilities that are to be paid by the tenant.
 - (b) Provide and maintain any appliances that are to be provided by the tenant.

c. **Family damage.** The owner is not responsible for a breach of the HQS because of damages beyond normal wear and tear caused by any member of the household or by a guest.

d. **Housing services.** The owner must provide all housing services as agreed to in the lease.

8. **Termination of Tenancy by Owner**

a. **Requirements.** The owner may only terminate the tenancy in accordance with the lease and HUD requirements.

b. **Grounds.** During the term of the lease (the initial term of the lease or any extension term), the owner may only terminate the tenancy because of:

- (1) Serious or repeated violation of the lease;
- (2) Violation of Federal, State, or local law that imposes obligations on the tenant in connection with the occupancy or use of the unit and the premises;
- (3) Criminal activity or alcohol abuse (as provided in paragraph c); or
- (4) Other good cause (as provided in paragraph d).

c. **Criminal activity or alcohol abuse.**

- (1) The owner may terminate the tenancy during the term of the lease if any member of the household, a guest or another person under a resident's control commits any of the following types of criminal activity:
 - (a) Any criminal activity that threatens the health or safety of, or the right to peaceful enjoyment of the premises by, other residents (including property management staff residing on the premises);
 - (b) Any criminal activity that threatens the health, or safety of, or the right to peaceful enjoyment of their residences by, persons residing in the immediate vicinity of the premises;
 - (c) Any violent criminal activity on or near the premises; or
 - (d) Any drug-related criminal activity on or near the premises.
- (2) The owner may terminate the tenancy during the term of the lease if any member of the household is:
 - (a) Fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from

which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or

(b) Violating a condition of probation or parole under Federal or State law.

(3) The owner may terminate the tenancy for criminal activity by a household member in accordance with this section if the owner determines that the household member has committed the criminal activity, regardless of whether the household member has been arrested or convicted for such activity.

(4) The owner may terminate the tenancy during the term of the lease if any member of the household has engaged in abuse of alcohol that threatens the health, safety or right to peaceful enjoyment of the premises by other residents.

d. **Other good cause for termination of tenancy**

(1) During the initial lease term, other good cause for termination of tenancy must be something the family did or failed to do.

(2) During the initial lease term or during any extension term, other good cause may include:

- (a) Disturbance of neighbors,
- (b) Destruction of property, or
- (c) Living or housekeeping habits that cause damage to the unit or premises.

(3) After the initial lease term, such good cause may include:

- (a) The tenant's failure to accept the owner's offer of a new lease or revision;
- (b) The owner's desire to use the unit for personal or family use or for a purpose other than use as a residential rental unit; or
- (c) A business or economic reason for termination of the tenancy (such as sale of the property, renovation of the unit, the owner's desire to rent the unit for a higher rent).

(4) The examples of other good cause in this paragraph do not preempt any State or local laws to the contrary.

(5) In the case of an owner who is an immediate successor in interest pursuant to foreclosure during the term of the lease, requiring the tenant to vacate the property prior to sale shall not constitute other good cause, except that the owner may terminate the tenancy effective on the date of transfer of the unit to the owner if the owner:

- (a) Will occupy the unit as a primary residence; and
- (b) Has provided the tenant a notice to vacate at least 90 days before the effective date of such notice. This provision shall not affect any State or local law that provides for longer time periods or addition protections for tenants.

9. Protections for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking.

- a. **Purpose:** This section incorporates the protections for victims of domestic violence, dating violence, sexual assault, or stalking in accordance with subtitle N of the Violence Against Women Act of 1994, as amended (codified as amended at 42 U.S.C. 14043e et seq.) (VAWA) and implementing regulations at 24 CFR part 5, subpart L.
- b. **Conflict with other Provisions:** In the event of any conflict between this provision and any other provisions included in Part C of the HAP contract, this provision shall prevail.
- c. **Effect on Other Protections:** Nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, sexual assault, or stalking.
- d. **Definition:** As used in this Section, the terms “actual and imminent threat,” “affiliated individual,” “bifurcate,” “dating violence,” “domestic violence,” “sexual assault,” and “stalking” are defined in HUD’s regulations at 24 CFR part 5, subpart L. The terms “Household” and “Other Person Under the Tenant’s Control” are defined at 24 CFR part 5, subpart A.

 - (2) The tenant shall not be denied tenancy or occupancy rights solely on the basis of criminal activity engaged in by a member of the Tenant’s Household or any guest or Other Person Under the Tenant’s Control, if the criminal activity is directly related to domestic violence, dating violence, sexual assault, or stalking, and the Tenant or an Affiliated Individual of the Tenant is the victim or the threatened victim of domestic violence, dating violence, sexual assault, or stalking. 24 CFR 5.2005(b)(2).
 - (3) An incident or incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking will not be construed as serious or repeated violations of the lease by the victim or threatened victim of the incident. Nor shall it not be construed as other “good cause” for termination of the lease, tenancy, or occupancy rights of such a victim or threatened victim. 24 CFR 5.2005(c)(1) and (c)(2).
- g. **Compliance with Court Orders:** Nothing in this Addendum will limit the authority of the landlord, when notified by a court order, to comply with the court order with respect to the rights of access or control of property

- h. **Violations Not Premised on Domestic Violence, Dating Violence, Sexual Assault, or Stalking:** Nothing in this section shall be construed to limit any otherwise available authority of the Landlord to evict or the public housing authority to terminate the assistance of a Tenant for any violation not premised on an act of domestic violence, dating violence, sexual assault, or stalking that is in question against the Tenant or an Affiliated Individual of the Tenant. However, the Landlord or the PHA will not subject the tenant, who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, to a more demanding standard than other tenants in determining whether to evict or terminate assistance. 24 CFR 5.2005(d)(2).

i. Actual and Imminent Threats:

- (1) Nothing in this section will be construed to limit the authority of the Landlord to evict the Tenant if the Landlord can demonstrate that an “actual and imminent threat” to other tenants or those employed at or providing service to the property would be present if the Tenant or lawful occupant is not evicted. In this context, words, gestures, actions, or other indicators will be construed as an actual and imminent threat if they meet the following standards for an actual and imminent threat: “Actual and imminent threat” refers to a physical danger that is real, would occur within an immediate time frame, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur. 24 CFR 5.2005(d)(3).
- (2) If an actual and imminent threat is demonstrated, eviction should be used only when there are no other actions that could be taken to reduce or eliminate the threat, including, but not limited to, transferring the victim to a different unit, barring the perpetrator from the property, contacting law enforcement to increase police presence, developing other plans to keep the property safe, or seeking other legal remedies to prevent the perpetrator from acting on a threat. Restrictions predicated on public safety cannot be based on stereotypes, but must be tailored to particularized concerns about individual residents. 24 CFR 5.2005(d)(4).

- j. **Emergency Transfer:** A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking may request an emergency transfer in accordance with the PHA’s emergency transfer plan. 24 CFR 5.2005(e). The PHA’s emergency transfer plan must be made available upon request, and incorporate strict confidentiality measures to ensure that the PHA does not disclose a tenant’s dwelling unit location to a person who committed or threatened to commit an act of domestic violence, dating violence, sexual assault, or stalking against the tenant;

For transfers in which the tenant would not be considered a new applicant, the PHA must ensure that a request for an emergency transfer receives, at a minimum, any applicable additional priority that is already provided to other types of emergency transfer requests. For transfers in which the tenant would be considered a new applicant, the plan must include policies for assisting a tenant with this transfer.

- k. **Bifurcation:** Subject to any lease termination requirements or procedures prescribed by Federal, State, or local law, if any member of the Tenant's Household engages in criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking, the Landlord may "bifurcate" the Lease, or remove that Household member from the Lease, without regard to whether that Household member is a signatory to the Lease, in order to evict, remove, or terminate the occupancy rights of that Household member without evicting, removing, or otherwise penalizing the victim of the criminal activity who is also a tenant or lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the housing choice voucher program. 24 CFR 5.2009(a).

If the Landlord bifurcates the Lease to evict, remove, or terminate assistance to a household member, and that household member is the sole tenant eligible to receive assistance, the landlord shall provide any remaining tenants or residents a period of 30 calendar days from the date of bifurcation of the lease to:

- (1) Establish eligibility for the same covered housing program under which the evicted or terminated tenant was the recipient of assistance at the time of bifurcation of the lease;
 - (2) Establish eligibility under another covered housing program; or
 - (3) Find alternative housing.
- l. **Family Break-up:** If the family break-up results from an occurrence of domestic violence, dating violence, sexual assault, or stalking, the PHA must ensure that the victim retains assistance. 24 CFR 982.315.
- m. **Move with Continued Assistance:** The public housing agency may not terminate assistance to a family or member of the family that moves out of a unit in violation of the lease, with or without prior notification to the public housing agency if such a move occurred to protect the health or safety of a family member who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking; and who reasonably believed they were imminently threatened by harm from further violence if they remained in the dwelling unit, or if any family member has been the victim of sexual assault that occurred on the premises during the 90-calendar-day period preceding the family's request to move.
- (1) The move is needed to protect the health or safety of the family or family member who is or has been a victim of domestic violence dating violence, sexual assault or stalking; and
 - (2) The family or member of the family reasonably believes that he or she was threatened with imminent harm from further violence if he or she remained in the dwelling unit. However, any family member that has been the victim of a sexual assault that occurred on the premises during the

90-calendar day period preceding the family's move or request to move is not required to believe that he or she was threatened with imminent harm from further violence if he or she remained in the dwelling unit. 24 CFR 982.354

n. **Confidentiality.**

- (1) The Landlord shall maintain in strict confidence any information the Tenant (or someone acting on behalf of the Tenant) submits to the Landlord concerning incidents of domestic violence, dating violence, sexual assault or stalking, including the fact that the tenant is a victim of domestic violence, dating violence, sexual assault, or stalking.
- (2) The Landlord shall not allow any individual administering assistance on its behalf, or any persons within its employ, to have access to confidential information unless explicitly authorized by the Landlord for reasons that specifically call for these individuals to have access to the information pursuant to applicable Federal, State, or local law.
- (3) The Landlord shall not enter confidential information into any shared database or disclose such information to any other entity or individual, except to the extent that the disclosure is requested or consented to in writing by the individual in a time-limited release; required for use in an eviction proceeding; or is required by applicable law.

10. Eviction by court action

The owner may only evict the tenant by a court action.

11. Owner notice of grounds

- (1) At or before the beginning of a court action to evict the tenant, the owner must give the tenant a notice that specifies the grounds for termination of tenancy. The notice may be included in or combined with any owner eviction notice.
- (2) The owner must give the PHA a copy of any owner eviction notice at the same time the owner notifies the tenant.
- (3) Eviction notice means a notice to vacate, or a complaint or other initial pleading used to begin an eviction action under State or local law.

12. Lease: Relation to HAP Contract

If the HAP contract terminates for any reason, the lease terminates automatically.

13. PHA Termination of Assistance

The PHA may terminate program assistance for the family for any grounds authorized in accordance with HUD requirements. If the PHA terminates program assistance for the family, the lease terminates automatically.

14. Family Move Out

The tenant must notify the PHA and the owner before the family moves out of the unit.

15. Security Deposit

- a. The owner may collect a security deposit from the tenant. (However, the PHA may prohibit the owner from collecting a security deposit in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants. Any such PHA-required restriction must be specified in the HAP contract.)

- b. When the family moves out of the contract unit, the owner, subject to State and local law, may use the security deposit, including any interest on the deposit, as reimbursement for any unpaid rent payable by the tenant, any damages to the unit or any other amounts that the tenant owes under the lease.
- c. The owner must give the tenant a list of all items charged against the security deposit, and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must promptly refund the full amount of the unused balance to the tenant.
- d. If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may collect the balance from the tenant.

16. Prohibition of Discrimination

In accordance with applicable nondiscrimination and equal opportunity laws, statutes, Executive Orders, and regulations, the owner must not discriminate against any person because of race, color, religion, sex (including sexual orientation and gender identity), national origin, age, familial status or disability in connection with the lease. Eligibility for HUD's programs must be made without regard to actual or perceived sexual orientation, gender identity, or marital status.

17. Conflict with Other Provisions of Lease

- a. The terms of the tenancy addendum are prescribed by HUD in accordance with Federal law and regulation, as a condition for Federal assistance to the tenant and tenant's family under the Section 8 voucher program.
- b. In case of any conflict between the provisions of the tenancy addendum as required by HUD, and any other provisions of the lease or any other agreement between the owner and the tenant, the requirements of the HUD-required tenancy addendum shall control.

18. Changes in Lease or Rent

- a. The tenant and the owner may not make any change in the tenancy addendum. However, if the tenant and the owner agree to any other changes in the lease, such changes must be in writing, and the owner must immediately give the PHA a copy of such changes. The lease, including any changes, must be in accordance with the requirements of the tenancy addendum.
- b. In the following cases, tenant-based assistance shall not be continued unless the PHA has approved a new tenancy in accordance with program requirements and has executed a new HAP contract with the owner:
 - (1) If there are any changes in lease requirements governing tenant or owner responsibilities for utilities or appliances;
 - (2) If there are any changes in lease provisions governing the term of the lease;
 - (3) If the family moves to a new unit, even if the unit is in the same building or complex.
- c. PHA approval of the tenancy, and execution of a new HAP contract, are not required for agreed

changes in the lease other than as specified in paragraph b.

- d. The owner must notify the PHA of any changes in the amount of the rent to owner at least sixty days before any such changes go into effect, and the amount of the rent to owner following any such agreed change may not exceed the reasonable rent for the unit as most recently determined or redetermined by the PHA in accordance with HUD requirements.

19. Notices

How to Calculate Your Total Tenant Payment (TTP) Through the Housing Choice Voucher Program

Example 1:

A young parent is working full time and taking care of two children. Her rate of pay is \$8.00 per hour and she works 40 hours per week. Below is how you calculate her TTP.

$\$8.00 \times 40 \text{ hours} \times 52 \text{ weeks} = \$16,640.00$	Yearly gross income
$2 \text{ children} \times \$480.00 = \$960.00$	Yearly deductions
$\$16,640.00 - \$960.00 = \$15,680.00$	Yearly adjusted income
$\$15,680.00 / 12 \text{ months} = \$1,307.00$	Monthly adjusted income
$\$1,307 \times 30\% (.30) = \392.00	Total Tenant Payment (TTP)

Now that we have figured the client's TTP, let's determine the tenant's rent requirements based on the following information:

Rent to Owner	\$625.00
Payment Standard	\$1,408.00 (client is eligible for three bedroom)
Utility Allowance	\$319.00 (calculated on Utility Allowance form)

See Worksheet A to determine amount of rent tenant will pay.

FACT SHEET

EPA and HUD Move to Protect Children from Lead-Based Paint Poisoning; Disclosure of Lead-Based Paint Hazards in Housing

SUMMARY

The Environmental Protection Agency (EPA) and the Department of Housing and Urban Development (HUD) are announcing efforts to ensure that the public receives the information necessary to prevent lead poisoning in homes that may contain lead-based paint hazards. Beginning this fall, most home buyers and renters will receive known information on lead-based paint and lead-based paint hazards during sales and rentals of housing built before 1978. Buyers and renters will receive specific information on lead-based paint in the housing as well as a Federal pamphlet with practical, low-cost tips on identifying and controlling lead-based paint hazards. Sellers, landlords, and their agents will be responsible for providing this information to the buyer or renter before sale or lease.

LEAD-BASED PAINT IN HOUSING

Approximately three-quarters of the nation's housing stock built before 1978 (approximately 64 million dwellings) contains some lead-based paint. When properly maintained and managed, this paint poses little risk. However, 1.7 million children have blood-lead levels above safe limits, mostly due to exposure to lead-based paint hazards.

EFFECTS OF LEAD POISONING

Lead poisoning can cause permanent damage to the brain and many other organs and causes reduced intelligence and behavioral problems. Lead can also cause abnormal fetal development in pregnant women.

BACKGROUND

To protect families from exposure to lead from paint, dust, and soil, Congress passed the Residential Lead-Based Paint Hazard Reduction Act of 1992, also

known as Title X. Section 1018 of this law directed HUD and EPA to require the disclosure of known information on lead-based paint and lead-based paint hazards before the sale or lease of most housing built before 1978.

WHAT IS REQUIRED

Before ratification of a contract for housing sale or lease:

- Sellers and landlords must disclose known lead-based paint and lead-based paint hazards and provide available reports to buyers or renters.
- Sellers and landlords must give buyers and renters the pamphlet, developed by EPA, HUD, and the Consumer Product Safety Commission (CPSC), titled *Protect Your Family from Lead in Your Home*.
- Home buyers will get a 10-day period to conduct a lead-based paint inspection or risk assessment at their own expense. The rule gives the two parties flexibility to negotiate key terms of the evaluation.
- Sales contracts and leasing agreements must include certain notification and disclosure language.
- Sellers, lessors, and real estate agents share responsibility for ensuring compliance.

WHAT IS NOT REQUIRED

- This rule does not require any testing or removal of lead-based paint by sellers or landlords.
- This rule does not invalidate leasing and sales contracts.

TYPE OF HOUSING COVERED

Most private housing, public housing, Federally owned housing, and housing receiving Federal assistance are affected by this rule.

TYPE OF HOUSING NOT COVERED

- Housing built after 1977 (Congress chose not to cover post-1977 housing because the CPSC banned the use of lead-based paint for residential use in 1978).
- Zero-bedroom units, such as efficiencies, lofts, and dormitories.
- Leases for less than 100 days, such as vacation houses or short-term rentals.
- Housing for the elderly (unless children live there).
- Housing for the handicapped (unless children live there).

- Rental housing that has been inspected by a certified inspector and found to be free of lead-based paint.
- Foreclosure sales.

EFFECTIVE DATES

- For owners of more than 4 dwelling units, the effective date is September 6, 1996.
- For owners of 4 or fewer dwelling units, the effective date is December 6, 1996.

THOSE AFFECTED

The rule will help inform about 9 million renters and 3 million home buyers each year. The estimated cost associated with learning about the requirements, obtaining the pamphlet and other materials, and conducting disclosure activities is about \$6 per transaction.

EFFECT ON STATES AND LOCAL GOVERNMENTS

This rule should not impose additional burdens on states since it is a Federally administered and enforced requirement. Some state laws and regulations require the disclosure of lead hazards in housing. The Federal regulations will act as a complement to existing state requirements.

Suggested Documentation to Support Exemptions to the Lead-Safe Housing Rule

Use the [LSHR Screening on Exemption or Limited Exemption](#) to help determine whether an exemption applies. Use the chart below to determine what supporting documentation should be obtained and kept in the file.

Property Exemptions [24 CFR 35.115]	Supporting Documentation¹
Residential structures built after January 1, 1978.	Program documents demonstrating that structure was built after January 1, 1978, such as tax records or an appraisal.
Areas where state and local governments banned lead-based paint prior to January 1, 1978.	Official documents from the jurisdiction specifying the ban, including citation of relevant legislation AND official HUD waiver of Subparts B, C, D, F – M, and R.
Emergency action activities. Emergency repairs to the property are being performed to safeguard against imminent danger to human life, health, or safety, or to protect the property from further structural damage due to natural disaster, fire, or structural collapse. This exemption applies only to repairs necessary to respond to the emergency.	Program documents, such as an inspection report that documents the condition of the property and the nature of the emergency that caused the damage.
Properties found not to have lead-based paint by a LBP Inspection per the most current HUD Guidelines.	Full Lead-Based Paint Inspection Report
Properties where all lead-based paint has been identified, removed, and clearance (does not apply to enclosure or encapsulation abatement methods).	LBP Inspection, Risk Assessment Reports, abatement scope of work, clearance report indicating no lead-based paint in the property.
Zero-bedroom dwelling units like dormitories, single-room occupancy properties, and efficiencies.	Program or property documents, including photos, that classify units as studio or SRO.
Elderly and disabled housing. This housing is reserved exclusively for the elderly or persons with disabilities. However, this exemption explicitly does not apply if a child of less than 6 years of age resides or is expected to reside in the unit.	Program documents that classify housing as being reserved exclusively for the elderly or persons with disabilities and demonstrate no children are permitted or actually live in (any of) the unit(s).
Rehabilitation that does not disturb paint.	Program documents, such as a work write-up, showing that no paint will be disturbed, including before/after photos.
Unoccupied units that will be demolished.	Program documents that indicate the unit is unoccupied until demolition.
Property not used for human residential habitation.	Program documents that indicate the property's purpose and showing that it is not meant for human habitation.

¹ Acceptable program documentation is not specified by the LSHR, but responsible entities are encouraged to use official and verifiable documents to support a property's exempt status)

Suggested Documentation for Demonstrating that Relocation is NOT Required

Use the [LSHR Guidance on Relocation](#), in conjunction with the supporting documentation listed, to help document situations in which relocation is not necessary.

Circumstances When Occupant Relocation Is Not Required [24 CFR 35.1345]	Supporting Documentation²
Treatment will not disturb lead-based paint, dust lead hazards, or soil lead hazards.	Program documents, such as a work write-up, risk assessment, or inspection report, and photos
Treatment of the interior will be completed within one period in eight daytime hours, the site will be contained, and the work will not create other safety, health, or environmental hazards.	Program documents, such as a work write-up, bid specifications, contractor bid documents, photos
Only the building's exterior is treated; the windows, doors, ventilation intakes, and other openings near the worksite are sealed during hazard reduction activities and cleaned afterward; and a lead-free entry is provided.	Program documents, such as a work write-up, bid specifications, contractor bid documents, photos
Treatment of the interior will be completed within five calendar days; the work area is contained; at the end of each day, the area within 10 feet of the containment area is cleared of debris and thoroughly cleaned; at the end of each work day, occupants have safe access to sleeping areas, bathroom, and kitchen facilities; and treatment does not create other safety, health, or environmental hazards.	Program documents, such as a work write-up, bid specifications, contractor bid documents, photos
HUD has advised that the relocation of elderly occupants is not typically required, so long as complete disclosure of the nature of the work is provided and informed consent of the elderly occupant(s) is obtained before commencement of the work. (See Item J24 in "Interpretive Guidance—The HUD Regulation on Controlling Lead-Based Paint Hazards in Housing Receiving Federal Assistance and Federally Owned Housing Being Sold," 6/21/04 edition.)	Signed informed consent from the elderly occupants

² Acceptable program documentation is not specified by the LSHR, but responsible entities are encouraged to use official and verifiable documents to support the claim that relocation is not required.
